Dear Mrs. Adkins:

Please find enclosed a Notice of Change in Water Right Ownership form, along with the \$25.00 filing fee (check #6569) that you recently submitted to our office. Examination of the Warranty Deed submitted with the form reveals that the property was "conveyed dry" and therefore does not clearly indicate if water right 36-8525 was indeed conveyed with the property during the sale. As we discussed during our telephone conversation, a signed quitclaim deed specifically conveying right 36-8525 from the Dills to you could be submitted along with the Notice of Change in Water Right Ownership form and fee in order to change the ownership of the right.

If you have any questions, or need any further assistance, feel free to contact me at your convenience.

Sincerely,

Corey Skinner, PE
Water Resource Engineer
