1. Matter being protested Transfer #79509 Dirk Parkinson water transfer
2. Name of protestant Marilyn Mikkelsen
3. Protestant's Representative for service (If different than protestant)

4. Service mailing address 2433 E Hawkins Rd Downey Id 83234
5. Service telephone no. 208 897-9918 Email Address: mhmikkelsen@gmail.com

6. Basis of protest (including statement of facts and law upon which the protest is based)

I own water rights at the head of Peck Creek - this year due to pumping already existing the spring was almost dry. Transferring water rights and ~~then~~ drilling a new well will only increase an already bad problem of over pumping existing water - Peck Creek was already
(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? Please do not allow the water rights to be combined, Also mandate water gauges on existing pumps to regulate water used to amount allowed

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 27 day of September, 2014.

almost dry of water this year. I have never
seen it so low. Only in the last few days has
the water level increased. All water being pumped
from this section should have water meters to
regulate amount pumped. The water at my
home and other houses in the area is being
threatened.
