RE: NOTICE OF CHANGE IN WATER RIGHT OWNERSHIP
WATER RIGHT #65-7956

Ladies/Gentlemen:

You will find enclosed two Notice of Change in Water Right Ownership forms, both for a portion of the ownership rights of Water Right number 65-7956.

Water Right #65-7956 was originally owned by my grandparents, M.W. and Mildred E. Renfro. As part of the disbursement of my grandparents' estate, each of their four children received a percentage of Water Right #65-7956.

My husband and I purchased a piece of property in Horseshoe Bend, Idaho, including my aunt's portion of Water Right #65-7956, from my aunt, Phyllis Barnes, in 2006. I have attached the Notice of Change in Water Right Ownership for that purchase, and have also included (1) a copy of the filed Quitclaim Deed dated May 30, 2006, reflecting our purchase of the property and water right; and (2) the \$25 filing fee.

Subsequently, my husband and I purchased from my parents, June E. and Donald L. Brown, their portion of Water Right #65-7956. I have attached the Notice of Change in Water Right Ownership for this purchase, and have also included (1) a copy of a Quitclaim Deed dated August 15, 1988, reflecting my mother's acquisition of a piece of property in Horseshoe Bend, Idaho and a portion of the water right referenced here; (2) a copy of a Quitclaim Deed dated August 7, 2006, adding my father as an owner of the property and referenced water right; (3) a copy of a Quitclaim Deed dated July 31, 2014, transferring the ownership of my parents' right in water right #65-7956 to my husband and I; and (4) the \$25 filing fee.

I have also attached a copy of Idaho Department of Water Resources form dated 9/25/2000, Preliminary Recommendation of Water Rights Acquired Under State Law for Water Right #65-7956, and an Idaho Department of Water Resources satellite map dated 7/6/2000 reflecting the Place of Use and Point of Diversion for Water Right #65-7956. I have reviewed both of these documents, and other documents

that are available on the Idaho Department of Water Resources website regarding Water Right #65-7956. Our ownership of a portion of Water Right #65-7956 will not result in any change in the place of use, nor in the purposes and period of use are reflected in these documents.

Thank you for your review of these filings. Please do not hesitate to contact me at 208-409-9244 if you have any questions concerning these filings.

Sincerely,
