RE: Keith Munns-Water Supply Lease Applications 1-28D, 27-2124, 27-4008, 27-4009, and 27-4010

Dear Mr. Rigby:

On July 23, 2014, the Department of Water Resources (IDWR) received five lease applications to place 1-28D, 27-2124, 27-4008, 27-4009, and 27-4010 into the Water Supply Bank (Bank).

IDWR records indicate that the above referenced water rights have been leased into the Bank since March 31, 2013 for an indefinite term.

A right accepted into the Bank stays in the Bank until the Board releases it, the lease term expires, or upon request from the lessor to change the term of the lease, provided the Board approves the release.

To release the right from the Bank prior to the release date, submit a written request on the Request to Release a Water Right from the Bank form. This form is available from our public website at <http://www.idwr.idaho.gov>. Please note your rights may not be available for immediate release if they have been rented.

While a right is in the Bank, the lessor may not use the right without approval of the Department even if the right is not rented from the Bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B.

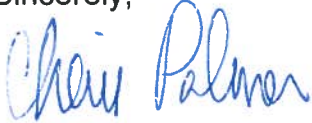

Again, your water right(s) are considered leased to the Bank, and should remain unused, until the water right(s) are released from the Bank. IDWR is returning your

lease applications and will request that a refund be initiated for the \$500 filing fee you submitted.

Please let me know if you have any questions regarding this matter.

Sincerely,
