RE: Change in Ownership Water Right No. [27-14B](#), [27-21A](#) and [27-12064](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to the notes on the file the department left a message for you on September 4, 2014. As of today the department has not received a response. It appears the request for ownership change may require a split. Please review the map attached. If you believe a split is required please supply the additional filing fee of \$225.00. The filing fee for a split water right is \$100.00 per water right so for your application the fee is \$300.00. With the original application the department received \$75.00, therefore an additional \$225.00 is required. If you believe you own the parcel in question please submit a deed indicating your ownership in the property. The parcel in question appears to be an exception on the deed submitted.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

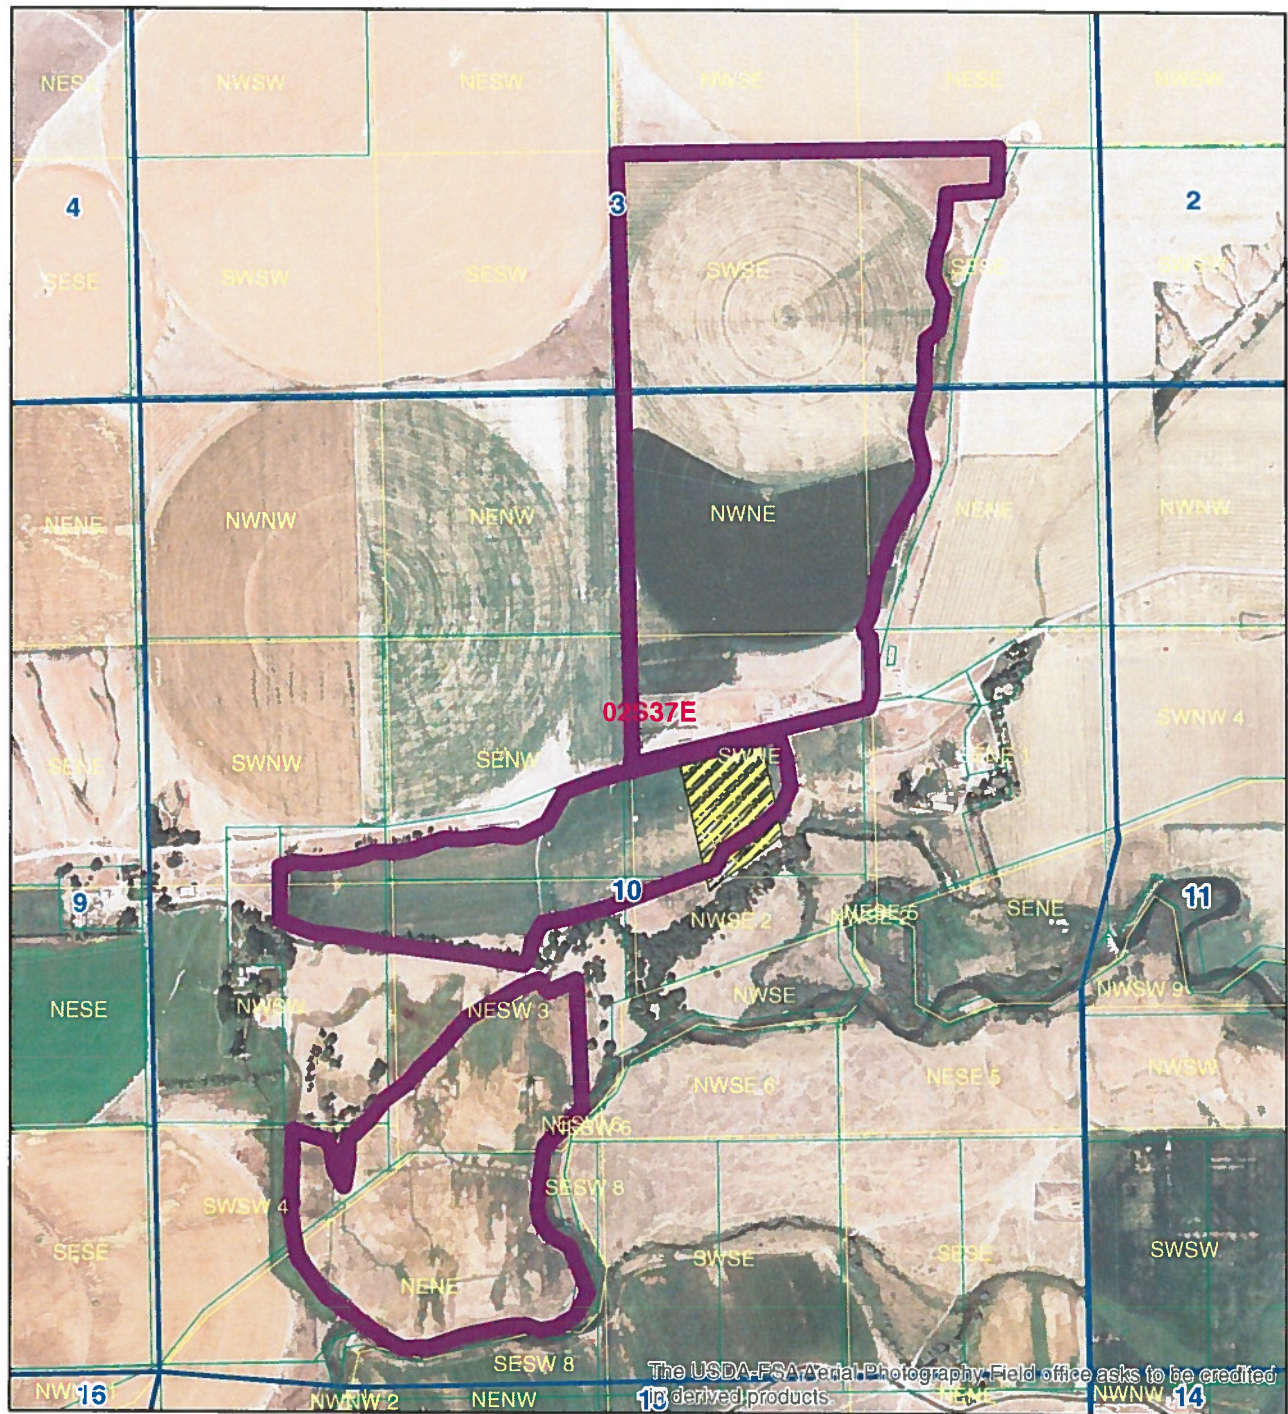

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
