Scott:

I just realized I did not get back with you on this. I think the way the advertising notice reads, it does do what you said below, which is to include the entire POU for stockwater. Let me know if I am correct.

Thanks for your efforts on this.

Rob,

Thanks for the shapefiles. Would you like the POU for the acres stockwater use continue to be the same as the irrigation POU? This would be for water right 31-4009.

Thanks,

Scott
