Dear Mary and Amidy:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right applications. A copy of each of the applications is attached for your reference.

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. We are also preparing these for publication in the St Maries Gazette on October 1 and 8, 2014, with October 20, 2014 as final date for protests to be received in our office.

If your agency desires to formally protest the approval of either of these applications, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact Eric Davis in this office if you have any questions regarding the application.

Sincerely,

Dianne Ball

Administrative Assistant

Application For Permit No. 91-7812

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the ST MARIES GAZETTE RECORD on 10/1/2014 and 10/8/2014. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Eric Davis
Water Resource Agent, Senior

Hi, Bri,

This is a request for a *second* publication to publish on the same dates as the one sent to you early last week, back on 9/15. This is a separate legal notice.

Please publish this attached legal notice on the dates indicated, October 1 and 8, 2014, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should also be very close to press ready for 2-column, 8.5 pt, Utopia font. Again, please note the areas under "**Use**" where the dates and CFS are offset and lined up in each application referenced. Our legal should publish appearing in this manner.

Please send a proof/preview copy for my review before this actually goes to press.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 10/20/2014. Your cooperation is very much appreciated.

Thanks for your help, and if you have any questions, please call me or reply to this e-mail.
