RE: Change in Ownership Water Right No. 79-14108

Dear Interested Parties:

The Idaho Department of Water Resources (Department) sent a letter on September 4, 2014, explaining that an error had been made when processing your request for a change of ownership involving water right 79-14108. It has been determined the water right should have been split with the stockwater going to you and the domestic staying with Peggy J Marek.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be an additional \$75.

If you have any additional information you would like to submit to support your change in ownership related to the domestic use or why this right should not be split, please submit the information and we will be happy to consider it.

If the Department does not receive the additional fee of \$75 by October 6, 2014, the Department will return your application unprocessed. If you have any questions regarding this matter, please contact Pam Skaggs at (208) 287-4951, email to pam.skaggs@idwr.idaho.gov or reply by mail to the address above.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
