RE: Change in Ownership Water Right No. [34-330K](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change, according to the notes on the file the department contacted Debbie early June but has not heard a response. The information required is indicated below:

**** **Evidence of Ownership:** According to our conversation you sold a portion of the property to Tate. Therefore a split will be required. When we spoke you indicated that you would submit the deed where the east side of the property was sold.

**** **Filing Fee:** \$100.00 per water right for an application that will result in a division of the water right. According to your application a split is required. So for your application an additional \$75.00 is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
