RE: Application for Permit 74-15964

Dear Mr. and Mrs. Stephenson:

After further review of the "Stipulation and Joint Motion to Approve Condition" it was determined that the Department of Water Resources cannot accept the condition that has been placed on the Stipulation and Joint Motion to Approve Condition.

The Department has placed your application for permit 74-15964, back to a contested case.

If you have any questions, please feel free to contact me.

Respectfully submitted,
