Ms. Nute:

Enclosed is the recorded deed from Alliance Title re Water Right No 65-23225 in Oia Idaho. Original signatures also have been signed on the copy which you sent.

Please acknowledge receipt of this documentation so further delays are avoided.

If you have any questions I can be reached at one of the following numbers: 209 939 4111, 208 939 3822, 208 854 3066.

My suggestion for improving the turnaround time for forms which you use would be to change the verbiage to exactly what you require instead of conveyance documents which DWR say " are no longer accepted" (telecon June 5,2014). I spoke with Cheri (287 4944) at the downtown dept and she concurred with my suggestion.

Thanks in advance for expediting this process.
