RE: Change of Ownership for Water Right No. 36-8409

Dear Mr. and Ms. Wheatley:

The Department of Water Resources believes you are the current owner on the above water right. In order for you to be listed as the current owner on the water right, please complete the enclosed Notice of Change in Water Right Ownership Form. Please complete it per the instructions, include the required fee and documentation and return everything to the Department. Once it is received, the changes will be made to our records and you will be sent confirmation that the change has been completed.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:
www.idwr.idaho.gov.

Please feel free to contact the Department or Cindy Yenter, Water District 130 Watermaster, if you have any questions regarding this matter. (208)736-3033

Sincerely,
Carrie Hahn
