RE: Permit No. 35-13337 (portion of Permit 35-08067)

Dear Mr. and Mrs. Funk:

In an additional review of the above referenced permit we find that you did not need to file an amendment for the licensing of this permit. I found that the 9 acres we had proposed for the NW $\frac{1}{4}$ NW $\frac{1}{4}$, S33, Twp. 6S, Rge. 31E, have been covered at 1" per acre under Recommended Right 35-02066A which is pending in the SRBA. I had also recommended only one well under this right, which I found was in error. Enclosed is a copy of the proposed license for your information. Please review it carefully and if you have any concerns regarding this, contact me within the next 10 days. Otherwise a license will be issued as shown on this draft.

We will request that the \$50.00 amendment fee that you paid under Receipt No. C058015 be returned to you. The refund will be sent out from the state auditor's office under separate cover. If you have any questions concerning the draft license or your refund, please do not hesitate to contact me at (208)327-7944.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
