RE: Water Supply Bank Rental Request

Dear Mr. Allen,

The Idaho Department of Water Resources (IDWR) received your request to rent water rights 45-13948 and 45-13950 from the Water Supply Bank at your Burley packaging plant for the years 2015 through 2025. As proposed, your rental request cannot be processed and is being returned to you.

Your rental request cannot be processed for of the following reasons:

- Water rights 45-13948 and 45-13950 are being released from the Water Supply Bank at the end of 2014 and will be unavailable for rental in 2015;
- Your rental place of use is situated on the Eastern Snake Plane Aquifer (ESPA), an area subject to conjunctive management, and an analysis of the water modeling transfer proposed is required to be submitted with your application to ensure no injury results from the temporary transfer proposed. An ESPA Model Transfer Spreadsheet and Mitigation Analysis Spreadsheet tool is provided by IDWR to assist applicants in modeling water transfers. The tool can be freely downloaded from IDWR's website, along with a user manual, accessible from:
www.idwr.idaho.gov/WaterManagement/WaterRights/WaterRightTransfers/resources.htm

To assist you with water modeling, I am including with this letter a list of all water rights currently leased into the Water Supply Bank that can be rented at your place of use and that show water available to be rented in 2015. Please note: your rental location is within an area subject to groundwater curtailment for water rights junior to July 13, 1962. You may be able to rent water rights with a priority date senior to July 13, 1962 if such groundwater rights are participating in a groundwater mitigation plan. Finally, please be advised that the Water Supply Bank only permits rental agreements for 5 a maximum of five years.

You may resubmit a 2015 rental application for your proposed rental place of use after rentable water rights are modeled. For your convenience, I'm also including a list of consultants that can assist with water right modeling work if you require assistance. You may contact me at 208-287-4918 if you have any questions related to this matter,

Regards,

Remington Buyer
