Re: Application for Permit No. 51-13107 – Amended Application & Additional Fee Request

Dear Mr. Honsinger:

The Idaho Department of Water Resources (IDWR) is continuing processing of the above referenced reinstated application. The application was amended by the applicant on 3/24/14, enclosed is a copy of the amended application. The amendment requires the following items be addressed prior to publication of the application. Please submit an amended application and fee to address the following:

- **Proposed uses (item no. 7b):** The 3/24/14 amendment added 0.08 cfs for stockwater use. Please amend the application to describe the proposed type and number of stock proposed.
- **Place of Use (item no. 8):** Please amend the application to confirm the 40 ac-tracts within which the proposed stockwater use will occur.
- **Fee:** The processing fee of \$250.00 received with the application is sufficient for proposed use of up to 1.00 cfs. The 3/24/14 application amendment increased the total proposed diversion rate to 1.08 cfs, requiring a \$290.00 processing fee. Please submit the processing fee balance of \$40.00 with the amended application.

Please provide an amended application and associated processing fee for application processing to continue. You may seek additional time to provide the amended application by making a written request to interrupt processing for up to six months. **Your response including the requested information, or a request for more time to seek the information, must be received within the next thirty (30) days.** The application will be voided without a timely written reply.

Please contact me at 208-334-2190 if you need more information. Thank you for your attention to these matters.

Sincerely,

Angela M. Grimm, P.G.
Water Resource Agent, Sr.
