To Whom It May Concern:

I am attaching this explanation to the Notice of Change of Water Right Ownership re: Right #22-7320 in lieu of a chain of Deeds of Ownership.

Crapo Farms owned what was then a Drilling Permit #22-07320, which it used to drill a well on property owned by Valley View Ranch in hopes that their farm could secure a productive well. While the final well was not productive, the resulting Water Right #22-7320 continued to be held in Crapo Farms' name instead of the land, which held the POD and POU, Valley View Ranch. The deeds for the land held by Valley View Ranch, which we hope will be enough documentation to execute the change of ownership.

If you have any questions, please feel free to call me at 208 624 3293.

Thank you,
