Phil/Darla,

My apologies for the confusion regarding the name on the permit. Attached please find a scanned copy of the permit with E. Marlowe Goble correctly listed as the permit holder. The original was mailed to Phil yesterday.

Thanks for your assistance and please let me know if anything else is needed.

Dear Mr. Simpson,

True. The Assignment of Permit is not needed if the property associated with this permit is still in the name of E Marlowe Goble. The Statement of Completion needs to show the name of permit holder as : **E Marlowe Goble**, which is how it is shown on the permit, not Medicine Lodge Assn, and not Goble Land & Livestock. If the name has changed from E Marlowe Goble to Medicine Lodge Assn., or Goble Land & Livestock then an Assignment of Permit does need to be filed even though it was just a name change.

Thanks for the clarification. I will be watching for the new proof statement to be arriving in the mail soon.

Dear Mr. Simpson,

I process proofs of Beneficial Use and Requests for Extension of Time for water right permits. When you requested to send me your filings for pre review, I was under the impression that you were sending me the Assignment of Permit form filled out by E Marlowe Goble and a new Statement of Completion form for water right Permit 32-13309, which we had discussed earlier over the phone. I received the Statement of Completion for **Permit 32-13309** currently in the name of E Marlowe Goble.

My apologies for the confusion.

During our phone call, I understood that Mr. Goble was required to sign the Statement of Completion; therefore, I have obtained a Statement of Completion form signed by Mr. Goble. I will mail this form to your office, per your direction.

As I mentioned to you during our phone conversation of July 28, 2014, I need an Assignment of Permit form from E Marlowe Goble and a \$25.00 filing fee assigning this permit over to the new owner. A water right in the permit stage is considered to be personal property of the permit holder.

Permit 32-13309 resides with Mr. Goble and will continue to do so.

I am confused as to who the new owner of the property is. The Statement of Completion reflects Medicine Lodge Assn. / Goble Land & Livestock.

The property is owned by Mr. Goble (Medicine Lodge Assn. / Goble Land & Livestock). The ownership did not change.

I also have a reference to TT Farms. I see that you listed yourself as the CEO, but I am unsure of which business entity you are the CEO of.

I am the CEO for Double T Farms.

I am unable to move forward with the processing of your Statement of Completion until I have the Assignment of Permit. The 60 day deadline is September 5, 2014. I will process the new Statement of Completion once I receive it with the Assignment of Permit for 32-13309.

I will mail the signed Statement of Completion form with Mr. Goble's signature to you. Since Mr. Goble owns the land I assume the Assignment of Permit is not needed - True?

Regarding all the documents you have sent to me for review, it is Jean Hersley that processes Ownership Changes, so I will forward your email with all your attachments to her for pre review.

Thank You. I will wait to hear from Jean Hersley.

If you have any questions please feel free to give me a call.

Sincerely,

Darla Block
