DEPARTMENT OF
WATER RESOURCES

Ms. Block,

In response to your correspondence regarding STATEMENT OF COMPLETION DUE, it appears I cannot get our well to active status by September 1, 2014.

I committed to a driller in the spring and it has not panned out well. He did not have a public works license. He now does. And then equipment breakdowns and too many other jobs and and and - - -

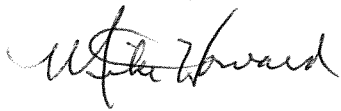

I spoke to another driller. He cannot come until mid-September.

Bottom line – I am not active with our well.

Included is a fee of \$50.00 for an extension. This extension is valid for a period until what date?

Thank you for your work.

Most Sincerely,

Mike Howard
