RE: WSB Rental Application on Curtailed Enlargement Right

This right has been curtailed in the 2014 season by the Rangen Call. This is an enlargement right of water right 36-196. 36-196 has been rented out with this right being left off of the rentals in order to comply with the curtailment order. Therefore, this right should not be used to fulfill any rentals for the rest of the 2014 season.
