Water Right No. 45-14363 (split and renumbered from 45-2282)**

Dear Water right owners:

On June 23, 2010 the department approved your Application for Extension of Time to Avoid Forfeiture for water right nos. 45-2588, 45-2599 and 45-2282. These rights were then split into the above mentioned rights.

One condition of the approval was that diversion and use of this water must resume on or before November 15, 2014. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Idaho Code § 42-222(4)(d) requires the department to send this notice, by certified mail, sixty days prior to the date water use must resume. Enclosed are the Resumption of Use forms for your use to notify the department of your resumption of use of the water right. Please complete the forms and return them to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4910.

Sincerely,
