RE: Daniel C Evans, Application for permit to drill a well for irrigation

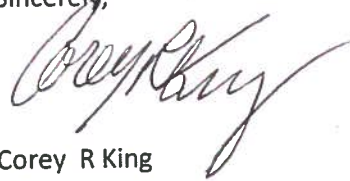

Dear Sirs:

I am writing this letter to provide an opinion regarding the financial ability of Daniel C Evans to pay for a well that is currently in the permit process.

I have done multiple loans with Mr. Evans. Based on what I know he will not have any issues getting the funding for the watering system that is the subject of his application.

If you have any questions please feel free to call me.

Sincerely,

 July 2, 2014
Corey R King
VP, Loan Officer
