RE: Notice of Change of Ownership for Water Right No. 27-4143

Dear Jonie:

Enclosed for processing is a *Notice of Change of Water Right Ownership* form for a portion of Water Right No. 27-4143. As you will see, the water right needs to be split based on the portion of the place of use acquired by the Cunninghams. We have included a copy of the Warranty Deed conveying the property to the Cunninghams from the current owners of the water right as well as a GIS map showing the Bingham County tax parcel and the current place of use. According to my GIS calculations, the Cunninghams should receive 2.6 acres of this water right.

If you have any questions regarding this matter, please do not hesitate to contact me.

Best Regards,

Luke H. Marchant
