RE: Ownership Change Acknowledgement Letter

=====

The Department received a Notice of Change of Ownership on Nov 14, 2013. Upon processing the change it was applied to both 98-7726 and 98 -7935 split from 98-2019. The acknowledgement letter was sent with inadvertently leaving 98-7726 off of the letter. This memo is to note that this change was accomplished. And that the address change reflected on the Notice has been updated in our system.
