RE: Change of Ownership for Water Right No(s): 63-32989, 63-11219, 63-32231 and 63-8841

Dear Water Right holder(s):

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership.

Our review of your notice indicates that right 63-32989 will be split in this ownership change. As indicated on the Notice of Change of Ownership form the filing fee for a split right is \$100. Water right 63-8841 was split into 63-32231 and 63-33230 in the past. Therefore, you were not required to pay for this right. We cannot process the Change of Ownership without the correct filing fee.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. You submitted \$100 with your notice. Since there are two water rights unsplit and one water right split the proper fee is \$150. We have determined the additional filing fee for this request is **\$50**.

Because the Department cannot process the request for Notice of Change in Water Right Ownership without the appropriate fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees and within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. If you have any questions concerning this letter, feel free to contact me at 287-4910.

Sincerely,
