RE: Change of Ownership for Water Right No(s): 75-97, 75-99, 75-101, 75-102, 75-2093, 75-4003, 75-1102, 75-4403, 75-4406, 75-7031, 75-13942, 75-14194, 75-14195, 75-14196, 75-14197, 75-14198 and 75-14243

Dear Water Right holder(s):

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership. Our review of your notice indicates water right 75-13942 will need to be split according to the deeds provided by you. Rosanna Evarts owns the property that one (1) acre of water right 75-13942 is appurtenant too. I have enclosed a map that outlines the water right in yellow and the property owners in purple. Our taxlot data was updated on June 19, 2014.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 **per** water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that an additional **\$75** is needed to complete this request.

Because the Department cannot process the request for Notice of Change in Water Right Ownership without proper fees, we will hold any action on your notice pending receipt of the additional fees. If we do not receive the additional fees and within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. If you have any questions concerning this letter, feel free to contact me at 287-4942.

Sincerely,

Jean Hersley
