RE: Notice of Change in Water Right Ownership No(s). 47-10841 and 47-10839

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The additional information needed is a copy of the conveyance document-warranty deed, quitclaim, etc that has been notarized and recorded with the county. The conveyance document must include a legal description of the property or description of the water right (s) if no land is conveyed. You can mail the document to the address above, email it to: jean.hersley@idwr.idaho.gov or fax to (208) 287-6700, Attn: Jean.

Also, the telephone and email was not filled out on the form. Could you please supply the Department with this information?

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
