Re: Change in Water Right Ownership for Water Right 37-2526A

Dear Mr. Elliott:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates not all the property to which this water right is appurtenant was conveyed to Little Sky Farms LLLP; consequently, a division of the water right may be necessary. A water right report is enclosed for your reference.

If you wish for the entire water right to be in the name of Little Sky Farms LLLP you can execute a quitclaim deed that conveys the entire water right from Elliott Family Ltd Partnership to Little Sky Farms LLLP. If, however, you want only that part of the water right that is appurtenant to the southeast quarter of section 12 in the name of Little Sky Farms LLLP then a split of the water right is necessary and an additional fee of \$75 is due. The third option is to add Little Sky Farms as a current owner to the water right in addition to Elliott Family Ltd Partnership.

Please submit a quitclaim deed, the additional \$75 fee or let me know if you want both entities on the water right by July 15, 2014. Feel free to contact me with any questions you may have. Thank you for your prompt attention to this matter.

Sincerely,

Trish Fawcett
