RE: Notice of Change in Water Right Ownership No(s). 98-4015

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The additional information is a copy of the signed and notarized conveyance document i.e.-warranty deed, quitclaim, etc recorded by the county. The deed and map provided was for property located in the Southwest Quarter of the Southeast Quarter of the Southwest Quarter in Section 30 Township 65 N Range 1 East. (parcel No RP65N01E305411) Water right number 98-7275 is appurtenant to that land. 98-7275 is already in the name of Charles M. Huff. I am enclosing a water right report for this right for your records. If you have a deed for property located in the Southeast Quarter of the Southwest Quarter section 30 of Township 65 N. Range 1 **West**, (water right 98-4015 is appurtenant to that land) you can mail that document to the address above attention Clay Webster.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please contact me at (208) 287-4910 if you have any questions regarding this matter.

Sincerely,

Clay Webster
Technical Records Specialist
