APPLICATION FOR TRANSFER OF WATER RIGHT PART 3

☒ Attach a map of the diversion, measurement, control, and distribution system. Label it **Attachment #7a**.
If the transfer application proposes to change the place or purpose of use of an irrigation right attach a Geographic Information System (GIS) shape file, or an aerial photo or other image clearly delineating the location and extent of existing acres and changes to the place of use. Label it **Attachment #7b**. If the place of use currently consists of a permissible place of use, then the attachment is not required if the application contains a clear statement that the boundaries for the place of use are not proposed to be changed by the transfer and the total number of irrigated acres within the place of use before and after the transfer is clearly stated.

☐ If you propose to change the nature of use or period of use of all or part of the right(s) listed in this application, attach documentation describing the extent of historic beneficial use of the portion of the right(s) proposed to be changed. Also attach documentation showing that the portion of the right(s) to be changed will not be enlarged in rate, volume, or consumptive use through the proposed change. Label it **Attachment #8a**.

☐ If you propose to change the place of use of a supplemental irrigation right, answer below and attach supporting documentation. Label it **Attachment #8b**

1. Describe how the supplemental water rights have been used historically in conjunction with other water rights at the existing place of use. Describe the time during the irrigation season that the supplemental rights have been used. Include information about the availability or reliability of the primary right(s) being supplemented, both before and after the change. If the applicant is proposing to change a supplemental irrigation right to a primary right, provide the information required on Part 3B above.:_____

Dear Mr. Kramer:

A copy of the above referenced application is enclosed. Please review the application, then complete the enclosed recommendation form as necessary, and return it to this office within 21 days of the date of this letter.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR's regional offices can finish reviewing an untested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Sincerely,

Denise Maline

RE: Transfer No. 78923
Water Right No(s). 37-21363, 37-21367, 37-591A, 37-592A

Dear Applicant(s):

The Department of Water Resources has received your water right transfer application. Please refer to the transfer number referenced above in all future correspondence regarding this transfer.

A legal notice of the application has been prepared and is scheduled for publication in the **CAMAS COURIER on 8/20/2014 and 8/27/2014**. Protests to this application may be submitted for a period ending ten (10) days after the second publication (**September 8, 2014**).

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

Denise Maline
Administrative Assistant

**NOTICE OF PROPOSED CHANGE OF WATER RIGHT
TRANSFER NO. 78923**

SCOTT T SCHEER, 377 S 500 E, FAIRFIELD, ID 83327; has filed Application No. 78923 for changes to the following water rights within CAMAS County(s): Right No(s). 37-21363, 37-21367, 37-591A, 37-592A; to see a full description of these rights and the proposed transfer, please visit our website at www.idwr.idaho.gov and search under New Water Right Applications. The purpose of the transfer is to change a portion of the above rights as follows: Transfer proposes adding a point of diversion to four Camas Creek water rights. Three diversions (two existing and one new) will divert up to 3.28 cfs for the irrigation of 170 acres on an existing farm located approximately 2.8 – 3.6 mi. south and 4.5 – 5.0 mi. east of the city of Fairfield. The new point of diversion is located approximately 3.5 mi south and 4.3 mi. east of the city of Fairfield.

For additional information concerning the property location, contact Southern Region office at (208) 736-3033. Protests may be submitted based on the criteria of Idaho Code Sec. 42-222. Any protest against the proposed change must be filed with the Department of Water Resources, Southern Region, 650 Addison Ave W Ste 500, Twin Falls ID 83301 together with a protest fee of \$25.00 for each application on or before September 8, 2014. The protestant must also send a copy of the protest to the applicant.
