Good afternoon, Lorna,

Please initiate interagency billing from Idaho Department of Fish and Game. I just received this file late on 8/13/14.

See copy of their request attached with billing information and amount (\$250.00).

This is for a Water Right Application – our PCA Code is 65103.

I'm processing this for publication and so request that Fish and Game process this interagency request without any delay.

Also please let me know when you have processed this what the Billing number is, and also please notify me when the funds are processed into our account.

Thanks

Dianne Ball

Good afternoon, Amber,

Please publish the enclosed legal notice on the dates indicated, August 21 and 28, 2014, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready for 2-column, 8pt, CenturyOldStyle font, justified layout.

Please send a proof/preview copy for my review before this goes to press.

Please remind whoever at the CDA Press that does layout/setup that we have sections throughout in areas of “**Use**” that are deliberately offset somewhat with dates and either CFS or AF, and we appreciate our legals appearing as submitted.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 9/8/2014. Your cooperation is always appreciated.

Thanks again for all **your** super help. It's a pleasure to work with you.
