RE: Notice of Change in Water Right Ownership No(s). 63-31823

Dear Property Owner(s):

Thank you for submitting your request for a Notice of Change in Water Right Ownership for the above mentioned water right. After reviewing your request, it was discovered that additional information is needed to process this request.

The warranty deed you provided conveys the property from River Birch to Boehm, LLC and Star 1, each as to any undivided 50% interest, as tenants in common. I can split the water right and put it in the names of Boehm, LLC and Star 1 unless you have additional deeds that state otherwise.

Also, the Department needs to have an original signature on the Notice of Change in Water Right Ownership. One member from each company will need to sign the form. I have enclosed another form for your convenience.

Because the Department cannot process the ownership change without proper information, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
