5. 168 This right is a Secondary Right, as established by the district court in Jefferson et al. v. Higgenbotham et al. (Washington County, June 3, 1921), and, as such, is subordinate only to all rights identified as Primary Rights on Mann Creek.

Comments:

1. dnarsavage 9/29/2005 Previously decreed rights
The remarks of this claim mention 67-523,-524,-525, and -526, but only 524 & 525 are appurtenant to this land. Another right that is appurtenant but was not mentioned in the remarks is 67-593. This is a secondary right with a PD of 1888. This will make the PD of this recommended right more junior and convert it to a secondary right, however it is the only way to cover all of the acres claimed. I will contact claimant.
2. Ownership Change 8/4/2014 Split Right
Split into 67-15115 and 67-10406 due to change of ownership.
