Teri,

In response to your request about the Boutilier water right (2-10292), I've attached a water right ownership change form. The new owners are responsible for completing the form and submitting it to IDWR with a copy of their warranty deed, when it is issued. The filing is \$25 if the entire water right is conveyed to the new owners. The fee is \$100 if the right is split.

Please call or email if you have questions.

Sincerely,

Shelley Keen
