Hello Tami,

I reviewed your additional deed and found that it will still require us to split WR 67-0232A. This means that you will still need to submit \$75.00 to Idaho Dept of Water Resources to execute the change of ownership. Fortunately, with your recent land acquisition, you will obtain a much greater percentage of the water right. Hopefully the attached map will give some clarification. Also, I will add your additional deed to your application.

Thanks,

Ashley Newbry, EIT
