RE: Water Right No. 37-8440

Dear Property Owner(s):

We have been advised you may be the current owner / water right holder, of the property with the water right referenced above. The department recently issued the Water Right License, which was mailed to the current owner on record. However it was returned to us by the post office. After further research it was discovered that the property has changed ownership. Enclosed is additional information, for your review.

Before we can modify our records to reflect your ownership of this water right, we need to have the enclosed Notice of Change in Water Right Ownership form completed. Please follow the instructions attached to the form and return to this office with all of the required information.

If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,

Denise Maline
Administrative Assistant
