RE: Change of Ownership for Water Right No(s). 29-14103 & 29-11021

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Please note per your request we are completing the ownership change for 29-14103, but the ownership change for water right number 29-11021 will not be complete, because at this time we have not received a split agreement. The department is not refunding the \$100.00 filing fee per your request, the department will apply it to your application for a new stockwater right. The receipt number is E039797 for \$125.00, the fee for the ownership change for 29-14103 is \$25.00; the remaining fee for your new stockwater application is \$100.00.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
