Dianne,

After speaking with Jim Brady, it sounds like this is not within our jurisdiction (unless it was a 5" or larger pipe and they were taking 4ccfs or more). So no comments or concerns from IDL on this application. Thank you for sharing. I am still new and learning new things all the time. My initial reaction was that they needed a permit for us, since the Kootenai River shows up in our navigable waters procedure manual.

Dear Mary and Mike:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of the application is attached for your reference.

Hoping to publish this August 7 and 14, 2014 with August 25th 2014 as final date for protests to be received in our office.

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact Keith Franklin in this office if you have any questions regarding the application.

Sincerely,
Dianne Ball

Application For Permit No. 98-7941

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNERS FERRY HERALD on 8/7/2014 and 8/14/2014. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Good afternoon, Linda,

Please publish the enclosed legal notice on the dates indicated, August 7 and 14, 2014, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

Please send a proof/preview copy for my review before this goes to press.

This should be very close to press ready – 2-column, 8pt, CenturyOldStyle font. (Maybe just a copy and paste.)

Please check to see that the USE section with dates and CFS amounts appears as submitted.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 8/25/2014. Your cooperation is always appreciated.

If you have any questions, please call me or reply to this message.

Thanks for all your great help in making our legals look so good.
