Mr. Allen Merritt, PE

After reviewing the map of the City of Fairfield's municipal water service area I have added three areas to the map. One is the baseball field, another is just south of the football field, and the last is on the north end of the city adjacent to Soldier Road. I have made the necessary adjustments to the map that reflects the service area that was not previously included.

Can you please make these adjustments to the City of Fairfield's recorded service area?

Respectfully,

Scott Marolf, Mayor
