RE: Correction of Ownership Change for Water Right 61-10855

Dear Water Right Holder:

The Department received a request for an ownership change on June 8, 2006. The change was completed and acknowledgement was sent to you on May 23, 2007. On June 9, 2014, the Department received notice from SPF Water Engineering, LLC that ownership of the entire water right 61-10855 was inadvertently given to Wagons Landing Inc when it should have been split. After further review, the Department found this to be correct. That portion of water right 61-10855 that belongs to Wagons Landing, Inc is now water right 61-12297. Water right 61-10855 was reduced and ownership was restored to John P Whitted. I have enclosed a computer-generated report for your records.

Thank you for your cooperation in this matter. If you have any questions, please contact me at (208) 287-4942.

Thank you.

Sincerely,

Jean Hersley
Technical Records Specialist II
