

MEMORANDUM

Date: July 31, 2014
To: Water Right File 61-10855 and 61-12297
From: Ownership Change
Re: Split Right

Ownership was changed from John P Whitted to Wagons Landing Inc in 2007. In July of 2014, SPF Water Engineering notified us the ownership change was done incorrectly. After reviewing the documents, it was determined that this water right should have originally been split. Water right 61-10855 was split into 61-10855 and 61-12297 and all files have been updated and all parties have been notified.
