Re: Permit No. 63-33877

Dear Vicky Music:

I am writing to request withdrawal of the premature submittal of the Statement of Completion for submitting proof of beneficial use form. The form was submitted prior to the pond being fully completed. At time of completion, we will complete a new form and resubmit.

We apologize for the premature submittal and any inconveniences this may have caused.

Sincerely,

John Laude

Subject: 63-33877 proof withdrawn

Hi Darla:

Saw your 7/18 letter about deficient proof. We had a glitch where owner filed proof prematurely, a mistake to be fixed. Vicky talked to project manager Shawn Brownlee at Trilogy Development Inc. & got withdrawn proof info here yesterday. Will forward that to you to wrap up some loose ends.

In case you get contact from owner or Shawn, please tell him/them things are being fixed, not to worry.

Thx

Steve
