RE: Water Right No's: 65-7171 & 65-2892

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change.

- A copy of the recorded conveyance document – warranty deed, quitclaims deed, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation.

Thank you for your cooperation.

Sincerely,

Rachel Sommer
