RE: Water Right No. 65-23224

Dear Applicant:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change.

The warranty deed submitted to the Department has three persons listed as grantees. Because there is more than one grantee, the changes listed below must be made to the Notice of Change in Water Right Ownership form before it can be processed.

- **All grantees names listed on #3**
- **All grantees signatures and dates on #9.**

For your convenience I have enclosed a copy of the notice so that the necessary changes can be made. Once completed please return this form to my attention.

Because the Department cannot process this request without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary documentation within 30 days we will return your notice with all attachments and your notice will not be processed.

Thank you for your cooperation. If you have questions, please call this office at 208-334-2190.

Sincerely,

Steve Lester
Water Rights Supervisor
Western Regional Office
