5. Service telephone no. (208) 733-1918 Email Address: dvhenson3@msn.com
6. Basis of protest (including statement of facts and law upon which the protest is based)

My husband and I moved out here in 1975. We built our house together with plan of living here the rest of our lives. Leon died last summer and I plan to stay here as long as possible. This water transfer threatens those plans. I fear that if this transfer goes through my well will dry up. I do not have the resources to repair my well and I (additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? Do not allow this transfer. In the event that this water transfer is allowed, I would need a guarantee that my well will not be affected in any way or if it is, I will receive compensation at the current market value of the property prior to the transfer.
- I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 18th day of July, 2014.

6 → would not be able to sell my property.

My monthly income dropped to less than one quarter what it was when Leon died. This is not enough to start over.

I object to this water transfer on the grounds that it will negatively impact or even destroy everything we built together.
