DEPT OF WATER RESOURCES

Basis of Protest for water transfers of #79384, 79380, 79357

We oppose the transfers of water based on several factors.

- 1. Water is not a part of same aquifer and no proof that same water will be used based on distance being over 36 miles difference and surface water vs underground water is completely different.**
- 2. Wells will impact already existing domestic wells in surrounding vicinity.**
- 3. Hardship may occur to other parties surrounding wells if wells are permitted to operate. Which I believe section 42-222 states to that affect.**
- 4. Is new owners of permits willing to show proof that water usage won't be a detriment to surrounding properties.**
- 5. Is current water usage by mr. Leno even meeting the specifications of usage by what new permittees will be using.**
- 6. If no harm will be done in allowing wells then other wells placed near or around planned wells should be allowed.**

NOTE:

A protestant is required to timely file a protest with the department together with a \$25.00 protest fee for each application being protested in order for the protestant to be considered a full party by the department. In addition, the department's Rule of Procedure, IDAPA 37.01.01203, requires a protestant to send a copy of a protest to the applicant.

INSTRUCTIONS

1. The matter being protested must be clearly identified. A typical matter is identified by the application number such as "Application for Permit No. _____ in the name of _____" or "Application for Transfer No. _____ in the name of _____."
2. Show the name of the protestant. Only one (1) protestant may be shown per protest form. If this protest form is signed by more than one person, the hearing officer will consider the first signer as the official protestant and the representative for service of documents.
3. If the protestant is represented by an attorney or other authorized representative, show the representative's name. The department then will serve documents on the representative and upon the protestant if specifically requested.
4. Show the address where the department is to serve the documents. This should be the address of the authorized representative unless the protestant does not designate a representative.
5. Show the telephone number of the authorized representative unless the protestant does not designate a service representative.
6. Specifically describe the nature of the protest.
7. Describe the relief being sought by the protestant.
