Re: High Meadows Subdivision ownership change / 37-22169

Enclosed please find a Notice of Change in Water Right Ownership and \$25 fee for the above-referenced water right. Ownership of the water right is confirmed by the enclosed deed executed by the previous owners, conveying the right to High Meadows Subdivision Homeowner's Association, Inc.

I would like to bring to the Department's attention that it appears the SRBA Court was not notified of the completion of Transfer No. 74331. This transfer was approved in 2007 and split the original water right 37-7446 into two parts which were renumbered 37-22169 and 37-22170. The SRBA court records do not reflect the split. In addition, water right 37-7446 was decreed by the court in September 2010, but the Department's database still indicates that both split parts are adjudication recommendations. The owner of this right would appreciate it if the Department could clear up these clerical discrepancies as soon as possible and provide confirmation to the water right owner. Please do not hesitate to contact me if any additional information is needed.

Cordially,

Charles G. Brockway, P.E.
