RE: Notice of Change in Water Right Ownership No(s). 61-10658, 61-10662, 61-10663, 61-10707, 61-10708, 61-10770, 61-11974, 61-11975, 61-12186, 61-12204 and 61-12206

Dear Property Owner(s):

Thank you for submitting your request for a Notice of Change in Water Right Ownership for the above mentioned water rights. After reviewing your request, it was discovered that additional information is needed to process this request.

The warranty deeds you provided do not include the entirety of water rights 61-12186, 61-12204 and 61-12206. The Department needs warranty deeds that include the property in Township 04S, Range 06E, Section 35. I have included a map for your convenience. The water rights are outlined in yellow and your property conveyed in the deeds is in pink. If the proper documents aren't provided, the Department will need to split the water rights and that will require additional fees.

Water right 61-11974 is involved in an active transfer. I have enclosed an Assignment of Application for Transfer for you to assign the transfer to the new owner. Forms are also available on our website, www.idwr.idaho.gov. Please send the forms to our Western Region Office.

Because the Department cannot process the ownership change without proper information, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

JH
