Dear Water Right holder(s):

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership. Our review of your notice indicates the appropriate filing fee was not included with your request. We cannot process the Change of Ownership without the appropriate filing fee.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 **per** water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. You requested the ownership change of 21 water rights which is \$525. We received \$325 (see attached receipt). We have determined that an additional **\$200** is needed to complete this request.

Because the Department cannot process the request for Notice of Change in Water Right Ownership without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees and within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. If you have any questions concerning this letter, feel free to contact me at 287-4942.

Sincerely,

Jean Hersley
