Re: Water right numbers 11-2045 and 11-2155

Dear Water Right Administrator:

Please find enclosed the following:

1. Original of Notice of Change in Water Right Ownership executed April 26th 2014 by my client Redwood Farmland Holdings, L.L.C.; and
2. A copy of the Warranty Deed dated the 22nd day of January 2014 being instrument number 216591; and
3. The fee of \$50.00 to transfer two (2) undivided water rights.

The land sale to my client was closed on January 22nd 2014 and included the transfer of both the farm land and the water rights described in the Deed.

Please change the owner of record of both water rights from Barker Ag, an Idaho general partnership to Redwood Farmland Holdings, L.L.C., a Maryland limited liability company.

If you require further documentation or need to talk with someone about this transfer please call me. Do not call my client. They are not familiar with farming and water rights and your questions will not be answered.

Thanks for your help with this.

Best wishes,

Peter Volk
