PROOF DEFICIENCY LETTER

RE: Permit No. 63-33877

Dear Permit Holder(s):

I am returning the original Proof of Beneficial Use ("proof") form you filed with the department on June 16, 2014, as item no. 5 on your proof form does not appear to match the uses listed under the above mentioned water right permit. Enclosed is a copy of this permit for your reference. Please correct the proof form to reflect the uses allowed under this permit, and return it to me in the enclosed self-addressed stamped envelope.

More importantly, the license examination fee was not paid at the time of filing proof. The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use. Your proof statement cannot be accepted without the exam fee.

This permit was issued with a maximum diversion rate of 0.09 cfs, from **ground water**. Based on your maximum diversion rate of 0.09 cfs, the filing fee is \$50.00. Please submit the license examination fee required. The department will be able to process your proof of beneficial use upon receipt of your corrected proof form and appropriate examination fee.

I will hold this matter for your response for fifteen (15) days from the date of this letter. I have enclosed a copy of your permit, and the license examination fee schedule for your reference.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block
